Statement from IPA Board of Directors:

“Directors are responsible for the behavior of their students at any and all IPA performance sites. Instruction regarding proper conduct and expectations at such events should be a part of the overall preparation and educational process. It is crucial that host schools, their administrators, and teachers can confidently host our events in their facilities without fear of damage or inappropriate behavior. The IPA will take the appropriate steps necessary to avoid instances of schools electing not to host an event because of disrespect for facilities.”
